

Moose Hide Campaign Day

SOCIAL MEDIA PLAYBOOK

Each year the Moose Hide Campaign challenge our supporters to fast and gather together in solidarity to put the national spotlight on the issue of ending domestic and gender-based violence. With rates of domestic violence rising since the beginning of the pandemic, this message is needed now, more than ever.

The **13th annual Moose Hide Campaign Day** is on **May 16th, 2024**. We'll be hosting a livestream, online interactive workshops and supporting thousands across the country to **Fast to End Violence** and take action in their own communities.

By spreading the word of the campaign on social media, you're helping us raise even more awareness, taking one of thousands of supporter actions to highlight this urgent issue. Find in this playbook suggested messages, graphics, videos and ideas for use on social media to support Moose Hide Campaign Day.
